# PEEL OFF ALGINATE MASKS

*Base*

Mask	Key Ingredient	Mask Type	Properties	Skin Type
Classic Base	Laminaria	Alginate Peel Off Mask	Mask base is a marine complex based on alginates which are extracted from Laminaria, and provide its natural smooth texture. The mask quickly turns into gel from when mixed with water. Alginate, extracted from brown seaweeds, is a phyco-colloid with refreshing and hydrating properties. Diatomaceous earth contains natural silicon which remineralises and tones the skin.	Base ( All )

# PEEL OFF ALGINATE MASKS

Expert

Mask	Key Ingredient	Mask Type	Properties	Skin Type
Botox - Like	Argireline®	Alginate Peel Off Mask	Argireline®, a hexapeptide composed of natural aminoacids, reduces the depth of wrinkles and lines on the face caused by the contraction of muscles of facial expression. Due to its myorelaxing properties, it reduces wrinkles.	Mature
Brightening	Biowhite™	Alginate Peel Off Mask	The anti-oxidant activity of Biowhite™ neutralizes free radicals and slows skin ageing. It inhibits melanin formation, preventing the skin from darkening in the sunlight. It has strong moisturising and firming properties. It is important to note that this Brightening mask has no cytotoxic effect on the skin (does not contain Hydroquinone or Kojic Acid) Tests have been conducted in an vitro study on this peel of mask's efficacy. Tests have shown a 28 % melanin reduction.	All & Hyper Pigmentation
Eye Lift	Rice Powder & Apricot Kernels	Alginate Peel Off Mask	Rice powder is used for its absorbing and matting properties, whilst providing a gentle treatment. Apricot seeds are very rich in vitamin E, which helps the skin fight aging and improve microcirculation. This mask's properties are extremely beneficial to the skin, especially for the dark rings and puffiness around the eyes.	All
Thermogenic Caviar	Caviar Extract	Alginate Peel Off Mask <i>*Can be mixed with Warm Water*</i>	This mask stimulates cell activity while boosting collagen activity and fighting skin ageing. Through strong anti-oxidant properties, the caviar prevents the destruction of the cell membranes while neutralizing free radical scavengers responsible for the cells' ageing. The caviar extract associates with natural tocopherol for a strengthened anti-time activity. The skin's elasticity is restored and the features of the face are refined.	All/Mature
Polar	Snow Algae	Alginate Peel Off Mask / Sugar Alginate Scrub	Snow algae is far more concentrated in carotenoids than in chlorophyll. Besides being pigments, carotenoids are also powerful antioxidants fighting against oxidative stress and therefore skin ageing.	All/Mature
Precious Stone	Hematite	Alginate Peel Off Mask	Alginate, extracted from brown seaweeds, is a phyco-colloid with refreshing and hydrating properties. Hematite, the main activator, has a rejuvenating and lifting effect on the skin.	All

# PEEL OFF ALGINATE MASKS

*Revitalise Dull & Tired Skins*

Mask	Key Ingredient	Mask Type	Properties	Skin Type
Café Mocha	Green Coffee Bean Extract	Alginate Peel Off Mask	The presence of theobromine and polyphenols in green coffee provide this treatment with softening, toning and anti-oxidant properties. Caffeine, which is a xanthic base, helps redesign and refine facial contours.	All
Delicious	Cacao Powder	Alginate Peel Off Mask	Polyphenol and vitamin A from cocoa are powerful antioxidants molecules. By neutralizing free radicals, they help to prevent skin ageing. Tannins, thanks to their astringent and tonic properties, contribute to skin firmness Recovering.	All
Tropical	Papaya & Pineapple Extract	Alginate Peel Off Mask	The Pineapple and Papaya mask provides an enzymatic exfoliating effect which is intended to achieve optimum cell regeneration thanks to its components. First of all, the synthesis of arginine and proline, two amino acids recognised for cell regeneration is encouraged by the action of the Papaya. Then, Pineapple has protective and moisturising properties which are essential for preventing wrinkles. The skin recovers its full glow.	All
Vitamin Burst	Acerola Berry	Alginate Peel Off Mask	The richness of the vitamin C in the acerola helps fight radical reactions and encourages collagen synthesis. The skin is revitalised and regains its glow.	All

# PEEL OFF ALGINATE MASKS

## Purify Skin & Imperfections

Mask	Key Ingredient	Mask Type	Properties	Skin Type
Acne Repair	Ash Cryobuds	Alginate Peel Off Mask	Ash Cryobuds have anti-inflammatory and antiseptic qualities which helps oily skin regain its balance thanks to its unique ingredients such as saponosides and flavonoides.	Problem & Oily
Pollution Control	Organic Apple Extract	Alginate Peel Off Mask <i>*Organic*</i>	The organic apple extract contains vitamin C that restores glow to the skin. Apple polyphenols are currently considered to be the most efficient ingredients to combat free radicals. They reinforce microcirculation, protect elastin and collagen fibers and prevent hyaluronic acid from being destroyed.	Dull & Devitalised
Pure Skin	Algalithe® & Green Clay	Alginate Peel Off Mask	The synergy between Lithothamnium and Clay ensures that their exfoliating, smoothing and absorbent properties are very effective. The skin is cleansed and purified: dead cells and impurities are removed. It breathes better and is nourished with the seawater nutrients provided by the seaweeds. The skin becomes more supple and soft; pores are tightened, it feels fresh and glows again.	Oily & Problem Skin
Urban D Pollution	Chlorella, Plant Based Activated Charcoal, High Purity White Clay & Ginseng White Root	Alginate Peel Off Mask <i>*Halal*</i>	Plant-based activated charcoal is a porous substance which captures toxic substances to facilitate their elimination. Clay remineralizes and detoxifies the epidermis by switching its mineral salts with toxins and impurities that lie at the skin surface. Ginseng has re-equilibrating and stimulating properties.	All & Problem Skin

# PEEL OFF ALGINATE MASKS

## *Soothe Sensitive & Reactive Skins*

Mask	Key Ingredient	Mask Type	Properties	Skin Type
Aquasource	Aloe Vera	Alginate Peel Off Mask	Aloe Vera encourages cell regeneration by providing essential amino acids, mineral salts, vitamins ( A, E and B) and polysaccharides, elements which are all essential for the skin. Its composition provides it with excellent superhydrating powers. It is an excellent nutrient for the skin.	All/Dry
Seawater	Himanthalia Elongata & Seawater Powder	Alginate Peel Off Mask	Himanthalia elongata is commonly appreciated for its vitamins and minerals. Empirical observations have shown the benefits of minerals on the skin from Seawater powder. Among all minerals, magnesium is well-known for its cutaneous anti-inflammatory properties. Seawater classic peel-off mask provides higher quantities of minerals to the skin than the use of liquid seawater.	Sensitive & All
Sensitively Pink	Tea Tree Oil & Pink Clay	Alginate Peel Off Mask	Clays have always been used by man to cleanse and beautify the skin. Their remarkable properties are used to disinfect, soothe pain and even heal wounds. Tea Tree oil is used in phytotherapy and cosmetic products for its antiseptic properties.	Sensitive & All

# PEEL OFF ALGINATE MASKS

*Sugar Base All rounder*

Mask	Key Ingredient	Mask Type	Properties	Skin Type
Cranberry Marshmallow	Glucose & Cranberry	Alginate Peel Off Mask	This Glucose mask is ideal for protecting the skin from external environmental factors and early skin ageing. Rich in Omegas 3 & 6, Cranberries strengthen the cutaneous hydrolipidic film to maintain optimum moisturising levels. Polyphenols & tocotrienols contained in the cranberries have strong anti-oxidant powers. They fight against free radicals to better prevent cutaneous ageing.	All
Golden Glow	Glucose & Gold Flakes	Alginate Peel Off Mask	Glucose hydrates the skin by rebalancing the Hydrolipidic film, the skin has a silky touch after the application. The golden flakes give this care brightness and glamour. This peel-off mask gives softness and suppleness to the skin.	All

# PEEL OFF ALGINATE MASKS

## Body

Mask	Key Ingredient	Mask Type	Properties	Skin Type
Firm & Lift Body	Ginkgo Biloba, Spirulina & Laminaria digitata	Alginate Peel Off Body Mask	Ginkgo Biloba is used in anti-aging treatments to soothe and protect the skin. Latest in vitro tests have shown that it has strong anti-oxidant properties and it inhibits elastases and hyaluronidases. Spirulina is used for its high content protein, which protects collagen and elastin, two proteins that are components in the skin and prevent the appearance of wrinkles. Algovert® is used for its richness in mannitol which contributes to the moisturising action of the wrap. The cryogenic effect of the Menthol maintains tissue tone and combats the alteration of collagen fibres.	All & Mature
Pure Body	Algalithe® & Green Clay	Alginate Peel Off Body Mask	The synergy between Lithothamnium and Clay ensures that their exfoliating, smoothing and absorbent properties are very effective. The skin is cleansed and purified: dead cells and impurities are removed. It breathes better and is nourished with the seawater nutrients provided by the seaweeds. The skin becomes more supple and soft; pores are tightened, it feels fresh and glows again.	Problem & Oily

# RINSE OFF MASKS

## Rinse

Mask Face	Key Ingredient	Mask Type	Properties	Skin Type
Lemon & Lime Mousse	Lemon & Lime Extracts	Rinse Off Face Mask	This mask can be mixed in a cocktail shake and develops into a delicious mixed fruit mousse. It provides a toning and purifying treatment which gives the complexion brightness. Lime and lemon are rich in vitamin C and AHA : they revitalise the skin and protect the cells against oxidation. Limonene and geraniol have stimulating and tonic properties. These ingredients also boost the cells renewal.	Oily & Problem
Muesli Whipped Cream	Avocado Oil, Sunflower Oil, Corn Starch & Amisoft	Rinse Off Face Mask	With a whipped cream texture, this mask is surprisingly smooth and spreads very easily on the skin imparting a feeling of softness. With exfoliating particles of cranberry and almond, it effectively eliminates dead cells and impurities from the skin. For dry and sensitive skin, this treatment based on avocado oil and sunflower oil nourishes and protects the skin.	Dry & Sensitive

Mask Body	Key Ingredient	Mask Type	Properties	Skin Type
Hot Chocolate Mousse Body	Theobroma Cacao (Cocoa) Extract	Rinse Off Body Mask	Theobromine helps eliminate unwanted fat. Its high concentration of minerals, particularly magnesium, is essential to maintaining muscle tone in the body. The polyphenols and vitamin A from cocoa have anti-free radical properties that inhibit the cutaneous aging process. Laminaria is rich in alginates, which restore silky softness to the skin. The self-heating effect promotes relaxation and perspiration, thus helping eliminate toxins and boost penetration of the active ingredients.	All

# SHEET MASKS

## Sheet

Mask	Key Ingredient	Mask Type	Properties	Skin Type
Charcoal Detox Tissue Mask	AC.NET™, PoreAway® & B6	Tissue Sheet Mask	The mask has a specific cut form for an immediate tensor effect, including ear hooks that allow it to maintain and strengthen the lifting effect. The association of two acids with a mattifying skin refiner helps to control bacterial growth and fights shininess, blemishes & pores. Activated charcoal, which has absorbent powers removes impurities and sweeps away excess sebum. AC.NET™ helps to control bacterial growth. PoreAway® reduces appearances of pores, manages imperfections and keep skin clear and refined. Vitamin B6 purifies the skin through a seboregulator activity.	All & Oily
Everlasting Second Skin Biocellulose Mask	PhytoCellTec™ & Bilberry Extract	Biocellulose Sheet Mask	PhytoCellTec™ provides a revolutionary anti-ageing performance for real rejuvenation. Bilberry extract is a powerful anti-ageing agent, rich in amino acid, vitamins, antioxidants and essential fatty acid. Glycerin moisturises and softens dry or sensitive skin. Fucogel®, a multi-sensory moisturiser, enhances skin softness and firmness.	All & Mature
Intense Moisture Biocellulose Mask	Aloe Vera, Hyaluronic Acid, Collagen & Glycerin	Biocellulose Sheet Mask	Aloe Vera hydrates and nourishes the skin while maintaining its humidity and remove dead cells which asphyxiate it. Its soothing, moisturizing and restoring properties of this active ingredient is the perfect partner for first aid skin care. Multi-sensory moisturizing, the Fucogel ® enhances the skin softness and firmness. The skin is restructured; the face regains its density and its contours.	All
Leaf Mask	Green Tea & Peppermint	Plant Fibre Sheet Mask	Natural and composed of plants, this "leaf mask" is a cosmetic mask with plant fibres and extracts. It contains green tea and peppermint; the combination of these two plants creates a synergy which complements each's activity. It provides the skin with an anti-oxidant, detoxifying, tonifying and refreshing treatment.	All & Devalised
Superhero Eye Hydrogel Mask	Osilift®,Eyeliss®, B5 & Collyaxl IS®	Hydrogel Sheet Mask	Osilift ® bio tones, smoothes and firms up the skin. Eyeliss® reduces bags under the eyes. The mask decreases fatigue illuminates the eyes. The provitamin B5 is both moisturising and emollient. Collaxyl IS®, an anti-ageing cosmetic active, which gives a smooth, healthy and unified skin. Collaxyl IS® is a collagen peptide, that leaves the skin supple, relaxed and in good condition.	All

# Private Label Serums

## SERUMS

Serum	Key Ingredient		Skin Type
Booster	Matrigenics, Snow Algae, Nanomax, MSM, Abyssinian oil, Meadow Foam seed oil, Resveratrol	A light booster serum, with an optimum dose of antioxidants (Vit C, Vit. E and CoQ10) and formulated with resveratrol rich grapeseed to boost and enhance skin tone and texture. It boosts collagen, elastin formation & maturation by reactivating 14 genes "sleeping" after 14 days. Restores the "triangle of beauty". Plumps skin through Hyaluronic acid synthesis.	All
Brightening	Azelaic Acid, Lumisphere TM, Butylene glycol, Melanostatin 5 TM, Octyl Palmi-tate, Niacinamide, Triglycerides, Methylsulphonyl methane, Salicylic acid, Dimethicone, Licorice extract, Squalane,	Reactivates genes involved in the synthesis, the maturation and the organisation of elastin fibres in the extracellular matrix. Restores "Triangle of beauty". Reactivates genes involved in the synthesis of hyaluronic acid. Leaves skin soft, smooth and well moisturised. Decreases the volume and the area of forehead wrinkles, nasal furrows and mouth wrinkles. Helps to neutralize free radicals and reverse glycation process (Calorie restriction).	Uneven Skin Tone
Eye Lift Gel	Matrixyl, Regu-Age, Haloxyl, Glycerin	Reduction in wrinkles and fine lines. Improve under-eye dark circles. Reduction of puffiness around the eyes. Reinforce firmness and tone of the eye area.	All
Fountain Of Youth	Citrullus Lanatus (Watermelon) Fruit Extract, Malus Domestica Fruit Cell Culture Extract (and) Xanthan, Citrulline,	A powerful regenerating, healing and anti-inflammatory treatment that protects the DNA of skin cells against daily induced UV irradiation and free radicals– the new bodyguard of the skin! Contains in addition, apple stem cells that combats chronological aging and preserves the youthful look and vitality of the skin. Evens skin tone, reduce age spots, prevents photo aging and dark spots.	All
Perfect Peptide	Matrixylä, Biopeptide CLä, Regu-Ageä, Trylagenä, Dihydroacetic acid & Benzylalcohol,	A serum with a difference. Reduces wrinkles, fine lines and firms skin. Reduces puffiness around eyes. Thicker, smoother skin texture.	All
Pure Skin	Niacinamide, Aloe Ferox, Propyleneglycol & diazolidinyl urea Dihydroacetic acid & Benzyl alcohol	Vitamin B3, serves as an effective skin-lightening agent. Topical niacinamide also exhibits anti-inflammatory properties, which makes it a treatment for inflammatory spots in acne, rosacea and any blistering-type disease.	All
Superhydrating	Ceramide complex, Vitamin E, Vitamin F	Reinforces the natural lipid barrier of aged or sensitive skin and helps rebalance the exchange of moisture between the skin and the environment.	Dry, Normal, Sensitive, Sun Damaged
